

Sentosa Unveils Island-wide Celebrations with Larger-than-life Carnival and Deals this Festive Season

This multi-partner collaboration between SDC, RWS, DBS, and STB will transform the island into an immersive festive wonderland with a diverse array of experiences including exclusive retail offerings, interactive installations, and day-to-night activities.

SINGAPORE, 28 NOVEMBER 2024 - This festive season, immerse yourself in larger-than-life experiences at “**Sentosa Presents: A Big, Big World**”. For the first time ever, the island transformation is set to transport visitors to three distinct and unique whimsical realms across Resorts World Sentosa, Sentosa Sensoryscape, and Palawan Beach. From 9 December 2024 to 16 February 2025, evolving interactive installations and day-to-night activities from Christmas to Chinese New Year will enchant and captivate visitors of all ages, with about 50 exclusive deals across some 40 Sentosa island partners for DBS and POSB debit and credit cardholders¹.

¹ Exclusive deals are available to DBS and POSB debit and credit cardholders from Singapore, China, Hong Kong, India, Indonesia, and Taiwan.

The two-month-long festive experience marks the inaugural joint activation of the Sentosa Precinct Partnership. The partnership established in May 2024 among Sentosa Development Corporation (SDC), Resorts World Sentosa (RWS), DBS Bank (DBS), and Singapore Tourism Board (STB) aims to propel tourism growth and solidify Sentosa's position as Asia's premier island resort getaway and leading lifestyle destination.

Larger-than-life Offerings Across Sentosa

"A Big, Big World" is the culmination of initiatives from all four partners to create immersive experiences that bring wonder and imagination to both local and international guests during the festive season. Visitors can look forward to an array of exclusive events and installations across three themed zones on Sentosa.

A Big, Big World of Excitement at Resorts World Sentosa

A Big, Big World of Excitement at Resorts World Sentosa will celebrate the rich cultural diversity and festive offerings of different countries with four uniquely themed zones inspired by England, France, Germany, and Japan. Each zone offers larger-than-life installations that make for picture-perfect moments, including a stunning 8.5 metre hot air balloon in the France zone and a towering 7.8 metre cuckoo clock in the Germany zone. Marvel at show-stopping sights, such as the Eiffel Tower projected onto a 10-meter LED Pyramid and enchanting light displays with origami reindeer sculptures.

The magical Yuletide experience will be enhanced with "snowfall", transporting visitors to a whimsical wonderland right here in Singapore.

Each of these uniquely themed zones will also feature exclusive retail offerings that capture the distinct charm and spirit of their respective countries. From traditional crafts and specialty goods to festive treats, visitors can discover and take home a piece of the wonder from brands like Wacky Scones, WildSen, and Imperial Doggo. DBS and POSB cardholders can also enjoy a 10% discount for selected brands.

Guests can dive deeper into the festive spirit by trying their luck at classic carnival games like balloon pop and claw machines to win exciting prizes. Christmas carollers from talented a cappella groups including The A Cappella Society, Vox Camerata and The Outside Edition, will fill the air with holiday cheer, adding a joyful soundtrack to the festivities.

This holiday season, guests can give back by visiting the SG Enable booth at the carnival, where handmade gifts created by members of i'mable Collective are available for sale. All proceeds will go towards supporting members of the collective, who are a community of talented artists and makers with disabilities.

Resorts World Sentosa's festive carnival will run from 9 December 2024 to 2 January 2025, and will be refreshed for the Chinese New Year season from 19 January 2025 to 16 February 2025. Please refer to Annex A for further programming details.

A Big, Big World of Dreams at Sentosa Sensoryscape

At the heart of the island connecting visitors in their discovery of “A Big, Big World” from RWS to Palawan Beach is the newly minted Sentosa Sensoryscape. Here, guests are invited to cannonball right into their dreams with Cloud Swing Dreams, giant fluffy swings that evoke feelings of whimsicality. As night falls, ImagiNite transforms Sensoryscape into a vibrant dreamscape, with interactive light projections and augmented reality bringing the space to life for an unforgettable sensory experience.

The verdant corridor will also be enlivened with a robust programming of street performances featuring K-pop dance contests, home-grown buskers, and fun activities like balloon sculpting and storytelling to create a vibrant year-end festive celebration for all. Guests can look forward to additional performances from 22 to 25 December, featuring performances by Bellingham, Stephen Francis & Friends, The Apex Project Acapella Singapore Group, and the Rit Xu Trio. Please refer to Annex B for more information on the Sensoryscape activations.

A Big, Big World of Discovery at Palawan Beach

The skies above Palawan Beach will be transformed into a soaring tapestry of colours in a unique day-to-night kite fiesta. During the day, Flight of Wishes invites guests to join a kite-making workshop where they can craft unique, personalised kites that showcase their creativity. Afterwards, guests can bring their kites to life in a spacious kite-flying area, joining a colourful symphony of kites dancing in the sky. Ready-made kites will also be available for purchase for those who prefer to dive straight into the fun. Guests are also invited to be amazed by the sight of massive kites swishing in the skies in the showcase by the Singapore Kite Association.

Adding to the enchantment, The Floating Marvels is an ethereal nighttime experience where 12 sea creature inflatables, such as jellyfishes, manta rays, and whales will illuminate the skies. Some of these larger-than-life inflatables measure up to 15-metres

in size. These mesmerising inflatables celebrate Sentosa's coastal charm, creating a stunning visual scene that promises to be an extraordinary evening spectacle. This audiovisual experience is specially curated by Myles Ziebart, who specialises in concept design and execution of highly creative projects, and has worked on projects for the Singapore River Festival and Singapore Night Festival. Please refer to Annex C for more information on the programming.

Additionally, DBS is offering exclusive deals and promotions for DBS and POSB cardholders across attractions, hotels and dining establishments on the island including S.E.A. Aquarium, Adventure Cove Waterpark, Syun, SkyHelix Sentosa, W Singapore - Sentosa Cove and +Twelve for guests to indulge in the festivities as they explore these unique precinct-wide experiences. Please refer to Annex D for the full list of DBS and POSB deals.
